# ABOUT US

>> Inkamic prvt Ltd is an engineering company that deals with procurement of industrial equipment, plumbing, and we also offer business solutions.

>> Girl Talk Zimbabwe is a program designed to help girls/ young women have confidence and skills to be successful leaders. It is an organization seeks to inspire girls/ young women to be successful leaders in the community through peer-to-peer mentoring (women empowerment). Our curriculum covers a wide range of topics including diversity and inclusion, body image, Sextotion, entrepreneurship, digital citizenship, women's health such as HIV & AIDS, cervical cancer & breast cancer awareness, fitness and we also share affairs of female Universe. Girl talk Zimbabwe is also the mother of the biggest pads drive in Zimbabwe an initiative that seeks to eradicate period poverty by supplying high quality sanitary pads to less privileged girls mainly being girls at school and remote areas.
